IMMANUEL UNITED CHURCH OF CHRIST

ESTABLISHED 1890

Immanuel United Church of Christ was formed on October 15, 1890 by Reverend P. L. Weil. It was chartered under the name "Deutsche Evangelische Immanuels Gemeinde". In 1934 the Evangelical Synod of North American joined with the General Synod of the Reformed Church and the name was changed to "Immanuel Evangelical and Reformed Church". In 1957, the Evangelical and Reformed Church united with the Congregational Christian Church at their b-annual meeting and so in 1959 the church became known as "Immanuel United Church of Christ.

The original church was located at 344-352 Sibley Street and renumbered to 700-712 Sibley Street, Hammond, Indiana. In June 1971, this building was sold and a new church built at 2201 Azalea Drive, Highland, Indiana.

The church records that have been transcribed from the original records, some written in old style German script, consist of:

BAPTISMS	1890 - 1969
CONFIRMATIONS	1892 - 1943
MARRIAGES	1893 - 1969
DEATHS	1890 - 1969

Every effort has been made to transcribe as accurately as possible. Due to a lack of space some abbreviations have been used consisting of the following:

H/ = HUSBAND	S/ = SON
W/ = WIFE	D/ = DAUGHTER
F/ = FATHER	SF/= STEPFATHER

The records also give the following information that has been not transcribed:

1. BAPTISMS: complete names of the infant and the sponsors and addresses in some cases.
2. CONFIRMATION: addresses in some cases.
3. MARRIAGES: names of sponsors, some register and license numbers, ages and addresses.
4. DEATH: place of birth, place of funeral, funeral home and bible verse used.

The Pastors and Associate Pastors that have served the church since it was established are:
